EXPERIENCE

Vsachi Technologies, New Delhi — *Client Outreach*

FEB 2026 - PRESENT

Responsible for calling and reaching out to potential clients and negotiating costs and expenses.

EDUCATION

Raj Kumar Goel Institute of Technology, Ghaziabad — *B.Tech*

OCT 2021 - NOV 2025

Completed my Bachelor's Degree in Engineering in Computer Science from Raj Kumar Goel Institute of Technology with an overall GPA of 7.44.

Chhabil Dass Public School, Ghaziabad — *XII Standard*

MONTH 2020 - MONTH 2021

Completed my XII standard from Chhabil Dass Public School with 91.8 Percent marks.

PROJECTS

Sales Employee Dashboard — *MS Excel*

Created an interactive Excel dashboard using PivotTables, slicers, and conditional formatting to analyze sales employee performance across regions and time periods. Used VLOOKUP and XLOOKUP to automate data fetching from supporting sheets. Enabled dynamic filtering and real-time insights to highlight top performers and monitor KPIs efficiently.

Data Analysis Project — *Python*

Python Data Analysis Project Analyzed a Customer Churn dataset using Python and SQL to identify key drivers of churn. Performed data cleaning, exploratory analysis, and created visualizations that highlighted trends and supported actionable recommendations for business decision-making
